

To place the order:

Please send us an invoicing + delivery address, VAT number (if you have one) and phone number used for delivery.

Please fill in the tracklist form (or you can send your own tracklist file with track times + all details, incl. genre) + copyright declaration (please fill it in, choose one of that three options, sign the copyright and scan back to us).

Please see the conditions for the artwork (technical conditions - files 4a and 4b) and please use our templates for the artwork .

As for the master – we accept .ZIP only. Please send one compressed file (named with „catalogue number“). Please send us audio and graphics using for example WeTransfer, Sendspace, Dropbox or any other server. If you send the lacquer - please write on the box catalogue number and "TRENDY" and I would provide you an address.

To place the order into production, all production parts must be available (master + artwork)

Bank transfer accepted.
